

# Let's Talk...

## Because

that is how  
a baby learns  
to talk.

that is how  
a toddler  
learns lots  
of new words.

that is how a  
preschool child  
learns all about  
the world  
they live in.

a child with lots of  
early experience  
talking and listening  
will easily learn to  
read and write.

*it makes a difference!*
